Sub: Production plan/update

Dear Sirs,

With reference to the cited subject, we wish to inform as under:

“Production planning is a matter of advance monitoring of the market dynamics and prudent demand forecasting. This helps us to plan our production well in advance, thereby enabling us to stay flexible both in terms of volumes and production schedules. In line with this trend, our manufacturing facilities will be closed from August 15 to 18. While this has been part of the annual holiday calendar on account of Independence Day, Raksha Bandhan and the weekend, it also partly reflects the prevailing market demand scenario.”

This is submitted for your information and records.

Thanking you,

For Hero MotoCorp Ltd.
