Hero For Humanity

A step towards supporting livelihoods

Hero For Humanity, is our flagship initiative for supporting Covid-19-affected families – especially those who lost an earning member due to Covid, by providing them support to sustain their livelihoods. The initiative has also ensured the continuity of education for vulnerable children.

The project is benefitting families in the states of Haryana, Gujarat, Andhra Pradesh, Rajasthan, Uttarkhand, Karnataka and Odisha.

Glimpses of engagements with beneficiaries of project Hero For Humanity
