TERRITORIAL SCOPE

The Territorial or Geographical scope of this Scheme shall be municipal limits of cities having coverage a radius of 30(Thirty) Kms from the breakdown location, subject to breakdown taking place within the municipal limits of the city. Neither supply of parts or consumables or replacement elements, nor materials in general, nor their corresponding labour charges thereof are included in this coverage.

SERVICES APPLICABLE

1. In Situ / On-Spot Repair of the Covered Vehicle- In the event of immobilization of the Covered Vehicle due to mechanical or electrical breakdown, we shall proceed with the repair of the Vehicle. In case of any parts replaced then the customer to pay for that.
2. Transfer of the Covered Vehicles- In the event that Covered Vehicle is immobilized and In Situ / On-Spot repair is not possible, EAI will arrange and bear the expenses for transferring the Covered Vehicle to the nearest HERO authorized workshop within 30 km of the breakdown location.
3. Replacement Keys - If the keys necessary to operate the Covered Vehicle is lost or misplaced, customer can request urgent forwarding of another set from his/her place of residence which must be within 30 km of breakdown location. Keys must be given, by a person designated by the customer. Else vehicle will be towed to the nearest HERO authorized workshop within 30 km of the breakdown location
4. Battery Jumpstart- If the Covered Vehicle does not start due to a discharged battery, we shall arrange to jumpstart the Vehicle. Neither the supply of parts or replacement elements, battery charging nor materials in general is included in this Service Coverage.
5. Fuel Delivery- If the Covered Vehicle runs out of fuel, we shall arrange for delivery of up to 2 (Two) liters of fuel (Only Petrol). This service is applicable within a radius of 30 km from nearest city covered. Cost of fuel has to be paid extra by the customer to Service Provider, on the spot by any means cash, online.
6. Flat Tyre Support -If the Covered Vehicle has a punctured or burst tire, we shall arrange to get the tires repaired from the nearest tire repair shop or shall transfer the covered vehicle to the nearest tire repair shop. The Client shall have to pay directly to the tire repair shop and we shall not be liable for the quality or/of workmanship of such repairs.

GENERAL CONSTRAINTS TO PROVIDE SERVICES

Though rare, under certain circumstances some Covered Vehicles may be denied assistance. Some examples of such conditions are as given below:

- a) Any vehicle which has not been maintained regularly as per HERO guidelines and thus is not in a roadworthy condition.
- b) Any event when the rider of the vehicle is found to be in any of the situations that are indicated below:
 - 1) The state of intoxication or under the influence of alcohol, drugs, toxins or narcotics not medically prescribed.
 - 2) Lack of permission or corresponding license for the category of the Covered Vehicle or violation of the sanction of cancellation or withdrawal of them.
- c) Any event where the breakdown is caused by deliberately inflicted damage, vandalism or participation in a criminal act or offense
- d) Any customer history where the customer has twice on prior occasions misused or abused the services.
- e) Those accidents resulting from the illegitimate removal of the Covered Vehicle.

f) Those accidents or breakdowns that are produced when the Customer or the authorized rider have infringed upon the regulatory ordinances

as far as the requisites and number of persons transported, weight and means of things and animals that can be transported or the form of

handling them as long as the infraction has been the determining cause of the accident or the causal event of the incident.

g) Any vehicle involved in or liable to be involved in the legal case prior to or post immobilization.

h) Events happening while the vehicle lacks documentation or requisites (including the Technical Inspection of the Vehicles and Obligatory

Insurance) legally necessary to ply on public roads.

i) Events caused by fuels, mineral essences, and other inflammable, explosive or toxic materials transported through the Covered Vehicle.

j) The following vehicles are not covered:

1) Those used for hire or reward, except if expressly included above.

2) Those used for the transportation of goods.

k) Events not covered under the program:

1) Non-functional horn. However, if the horn is activated incessantly, services shall be provided

2) Faulty gauges and meters

3) Vehicle headlights not functional during day time.

4) Illumination warning lamps of any non-safety related lights/service warnings lights which do not render the vehicle immobilized.

5) Broken rear-view mirror not obstructing rider's view.

6) Electronic Vehicle security systems, if fitted as standard equipment, are faulty but do not render it immobilized
