## **HERO MOTOCORP SELLS 652,028 UNITS OF TWO-WHEELERS IN MAY 2019**

Hero MotoCorp, the world's largest two-wheeler manufacturer, today reported sales of 652,028 units of motorcycles and scooters in the month of May 2019.

The Company recorded a sequential increase in sales compared to the previous month (April 2019) when it sold 574,366 units of two-wheelers. Hero MotoCorp surpassed the six-lakh units mark in monthly sales for the first time since February 2019 when it had sold 617,215 units of motorcycles and scooters.

In May, Hero MotoCorp launched three new motorcycles including the highly anticipated XPulse 200 – India's first 200cc adventure motorcycle, the XPulse 200T – a 200cc modern Tourer and the Xtreme 200S – a fully faired motorcycle.

Apart from the three premium motorcycles, the Company also launched two new scooters – India's first scooter with Fuel Injection (Fi) Technology – the Maestro Edge 125 and the advanced & stylish - Pleasure+ 110.

The bookings for most of these new products have already commenced at Hero MotoCorp dealerships across the country.
